The 100th Anniversary Adventure Base 100 (AB100) travelling museum and activity center will be coming to Boston July 1-4 as a part of Harbor Fest (www.bostonharborfest.com.) AB100 will be located on City Hall Plaza in Downtown Boston, a great location for the thousands of visitors coming to Boston for the Harbor Fest. Note that this is a free event and open to all. For the latest information on this event and to see video of recent stops of AB100, go to www.adventurebase100.org.

Area councils are banding together to work with the host Council, Boston Minuteman, to provide needed volunteers to assist the crew that comes with the AB100. A committee has been meeting led by [Bruce Showstack](#) of the Boston Minuteman Council. Contacts from your council and the AB100 Committee are listed on the website. We have a national PR firm with a Boston office assisting our efforts to publicize this event. This is one of the AB100's longest stops!

VOLUNTEERING

So you want to know more about volunteering for this event? Check out the [Job Descriptions](#) for the different ways you can get involved. Due to Harbor Fest regulations, we will not have the Ropes Course (no amusements) or the Scout Store (nothing may be sold, but give outs OK) as a part of the Boston event. Each council can have a table to publicize their camps, program, activities or whatever they decide with approval from the committee. Should you wish to be a part of the volunteer corps, please fill out this [volunteer survey](#). Please check off multiple shifts, should you wish and include a note for any other information we should have such as priority days and restrictions.

VIP TENT

AB 100 has a VIP tent for use throughout the event. This can be used for VIP visits such as Council Executive Boards, Friends of Scouting, receptions, Eagle Courts of Honor or most anything you can think of. Should you wish to use the VIP Tent, please indicate your interest at the [VIP Tent survey](#). Please check off a day(s) and time(s) and give as much detailed information about your planned event. Let us know your needs and we can assist with some logistics.

STAGE SHOW

There is a large stage off the trailer and museum. We will use this for all manner of performances, dances, skits, songs, demonstrations, stories and whatever else we can do to entertain the guests. Please pass along this link to interested folks who would like their 15 minutes of fame. Please fill out the [Stage Show survey](#) to let us know what you or your group would like to do on the stage. This is open to the general community as well for all scout appropriate performances. Please check off the time(s) available and include detailed information of the performance.

Please submit all surveys by May 1st for early consideration. We anticipate establishing schedules by the last week in May.

Additional information about transportation in and around Boston, parking and available housing will be forth coming. We are looking into all ways to get volunteers to the venue with the least hassle on some of the busiest days of the year. Volunteer rosters, Stage Show and VIP Tent schedules will be made available in late May after consideration by the committee to ensure necessary coverage. Please pass this information on to others in your council.
